STEP 4. HOSTEL SELECTION:

In Hostel Selection page, you need to provide three different hostel choices according to your priority and room type (cubical, bi, tri, or four seaters). If you are interested to choose roommates, then option for choosing roommates is also available.

Important Note:

- Roommates must be your batch mate/session fellow.
- Roommates must also submit online hostel form. Otherwise, he/she will be removed from yours list automatically.
- Room will be allotted as per the Average CGPA of selected roommates.
- You cannot select a student as a roommate if he/she has already submitted online hostel form. It is further advised that students (especially **first member of the group**) who are applying for bi, tri or four seaters to select his/her choice of roommates to avoid any inconvenience).
- If another student already selects yours choice for a roommate, then you cannot select him/her as roommate.
- Once you select roommates and submit the form, then a confirmation message will appear to your selected roommates when they apply for hostel through online portal.
- They will have the choice to be your roommate or withdraw your roommate request.
- If they do not accept your roommate request, then he/she will be removed from your list and the average CGPA will be updated accordingly.
- Therefore, before selecting any roommate, it is advised to inform him/her about your choice.

STEP 5. CHOICE OF ROOMMATE SELECTION:

If you are interested in roommate selection (read the above instructions for choice of roommate), then click on the roommate selection option and enter your roommate registration no. as mentioned below.
